Queensland’s COVID Safe Future

Due to Queenslanders' hard work, strong borders, testing and rapid response, restrictions have eased.

- We can go for dinner or drinks at our favourite pubs, clubs, cafés and restaurants.
- Our kids can go to school and play sport.
- All Queensland businesses and activities are able to open and run with appropriate measures in place.
- We can attend both big and small events.
- We can travel freely across Queensland, staying for as little or as long as we like.
- Visitors and returned travellers from six of the seven other states and territories can enter Queensland without having to complete mandatory quarantine.
- We have a multidisciplinary team of experts prioritising exemptions for medical reasons.
- We can have gatherings in our homes and public spaces across Queensland.
- We can dance at weddings and school events.
- Our elderly can enjoy excursions from aged care facilities.

If there is community transmission in Queensland, measures in impacted parts of the State may include:
- Gatherings reduced to 10 in homes and public spaces
- Increased testing
- Wearing of masks
- Aged care, disability accommodation, hospitals and corrections restrictions put in place
- Increased use of PPE in aged care facilities and hospitals
- People need to be seated in indoor venues
