Queensland’s COVID Safe Future

RESTRICTIONS EASED TO DATE

Due to Queenslanders’ hard work, strong borders, testing and rapid response, restrictions have eased.

› We can go for dinner or drinks at our favourite pubs, clubs, cafés and restaurants.
› Our kids can go to school and play sport.
› All Queensland businesses and activities are able to open and run with appropriate measures in place.
› We can attend both big and small events.
› We can travel to most other states and territories.
› Visitors and returned travellers from New Zealand and Australian states and territories, except for areas that are declared hotspots, can enter Queensland.
› We have a multidisciplinary team of experts prioritising exemptions for medical reasons.
› We can have gatherings in our homes and public spaces across Queensland.
› We can dance at weddings, pubs, clubs and events.
› Our elderly can enjoy excursions from aged care facilities.

If there is community transmission in Queensland, measures in impacted parts of the State may include:
› Reduced gatherings in homes and public spaces
› Increased use of masks
› Increased restrictions at aged care, disability accommodation, hospitals and corrections facilities
› Reintroduction of enforced seating in indoor venues
› Reduced number of places where dancing is permitted.
