

How to add your COVID-19 digital certificate via the Check In Qld app

Unite & Recover 

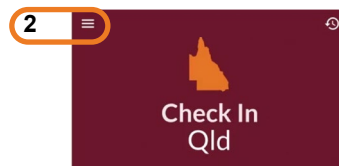

STEP 1

Visit your **app store** to make sure you have the **latest version of the Check In Qld app**.

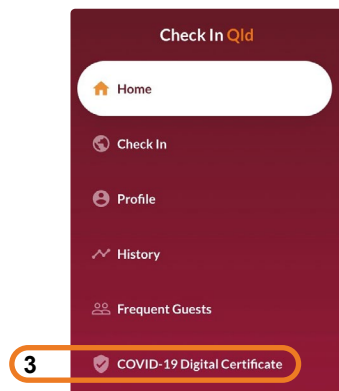

STEP 2

Open the **menu** in the top-left corner of the **Check In Qld app**

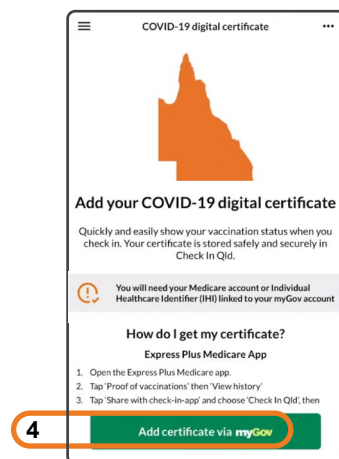

STEP 3

Select **COVID-19 Digital Certificate**

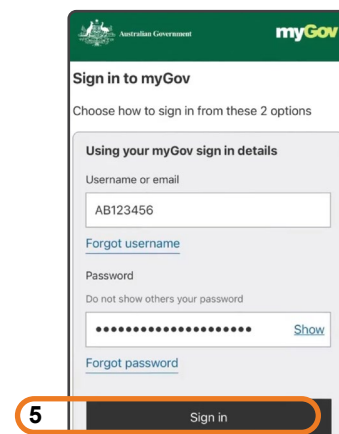

STEP 4

Select **Add certificate via myGov**

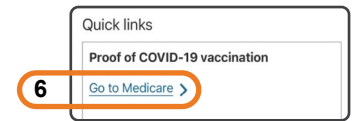

STEP 5

Sign in to your **myGov account** with your username and password

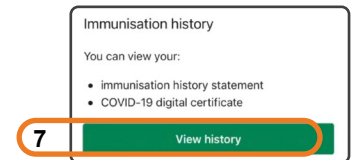

STEP 6

Scroll down to **Proof of COVID-19 vaccination** and click the **Go to Medicare** link

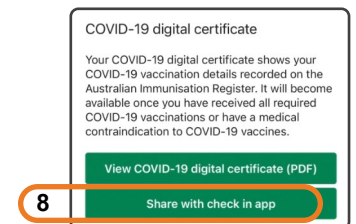

STEP 7

Select **View history**

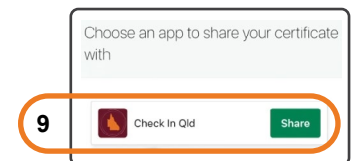

STEP 8

Select **Share with check in app**

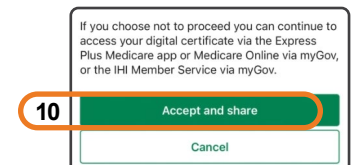

STEP 9

Choose to **share with the Check In Qld app**

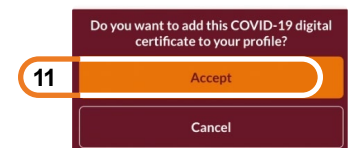

STEP 10

Scroll down and select **Accept and share**

STEP 11

Select **Accept** to add the COVID-19 digital certificate

STEP 12

Congratulations, your COVID-19 digital certificate is now added to the Check In Qld app and is represented by a **green circle with a tick** next to your name.
