

Marine Tourism COVID Safe Requirements

Activity	New Restrictions from 8 February 2021
‘Live-aboard’ marine vessels (up to 50 passengers)	<ul style="list-style-type: none">• Live-aboard marine vessels are able to operate for 1 person per 2m2 in sleeping areas, for up to 50 people.

Notes:

- Marine tourism businesses currently operate under strict health and safety requirements, including keeping detailed passenger manifests. They offer a primarily outdoors tourism experience.
- Requirements are a summary only and may not identify all expectations under the public health direction.
