

RESTRICTIONS EASED TO DATE

HOW FAR WE'VE COME...

Due to Queenslanders' hard work, strong borders, testing and rapid response, **restrictions have eased.**

- › We can go for dinner or drinks at our favourite pubs, clubs, cafés and restaurants.
- › Our kids can go to school and play sport.
- › All Queensland businesses and activities are able to open and run with appropriate measures in place.
- › We can attend both big and small events.
- › We can travel to most other states and territories.
- › Visitors and returned travellers from New Zealand and Australian states and territories, except for areas that are a declared hotspot, can enter Queensland.
- › We can have gatherings in our homes and public spaces across Queensland.
- › We can dance at weddings, pubs, clubs and events.
- › Our elderly can enjoy excursions from aged care facilities.

If there is community transmission in Queensland, measures in impacted parts of the State may include:

- › Reduced gatherings in homes and public spaces
- › Increased use of masks
- › Increased restrictions at aged care, disability accommodation, hospitals and corrections facilities
- › Reintroduction of enforced seating in indoor venues
- › Reduced number of places where dancing is permitted.
