# A Plan For Queensland’s Borders – DOMESTIC TRAVEL

**70%** of the eligible Queensland population is fully vaccinated

**ARRIVING FROM A HOTSPOT**
If you have been in a declared hotspot in the past 14 days you may travel to Queensland provided you:
- are fully vaccinated
- arrive by air only
- have a negative COVID-19 test taken within the 72 hours prior to arrival into Queensland
- undertake 14 days home quarantine subject to conditions set by Queensland Health.

Otherwise, you will need to meet the relevant requirements for entry and will be required to undertake 14 days quarantine in a government-nominated facility.

**ARRIVING FROM ALL OTHER AREAS OF AUSTRALIA**
Provided you have not been in a hotspot in the last 14 days:
- No restrictions on entry to Queensland.
- No quarantine required.

**ARRIVING FROM ANYWHERE IN AUSTRALIA**
No restrictions on entry to Queensland and no quarantine required.

**CONDITIONS**

**ALL ARRIVALS** – Regardless of where you come from, you must complete the Digital Passenger Declaration and abide by the public health directions in place at the time. Get tested if you have any symptoms and isolate until you receive your results.

**NEGATIVE COVID-19 TEST** – The accepted method of testing will depend on your circumstances. TGA approved rapid antigen tests or PCR tests are acceptable. Please ensure you visit the Queensland Health website for more information.

**FULLY VACCINATED** – One week since you have completed a course of a vaccine approved or recognised by the Therapeutic Goods Administration. People who cannot be vaccinated—for example those who are not eligible due to age or have an exemption from a qualified medical practitioner—will be treated as vaccinated for the purposes of entry and quarantine requirements.

**LOCKDOWNS** – In line with the National Plan to transition Australia’s National COVID-19 Response, any lockdowns will be highly targeted. Areas with lower vaccination rates will be more likely to require public health restrictions and lockdowns.

**RESTRICTIONS** – Some additional public health restrictions apply for unvaccinated people visiting vulnerable or high-risk settings. For more information on restrictions in Queensland visit the Queensland Health website.

**QUARANTINE** – Quarantine means you must stay away from others until you receive a negative COVID-19 test result. You may quarantine in a home, hotel or established accommodation. For more information visit the Queensland Government website.
