

A Plan For Queensland's Borders – DOMESTIC TRAVEL

<p>70% of the eligible Queensland population is fully vaccinated 15 November 2021</p>	<p>80% of the eligible Queensland population is fully vaccinated 1:00am 13 December 2021 Updated 13 January 2022</p>	<p>90% of the eligible Qld population is fully vaccinated 1:00am 15 January 2022</p>
<p>ARRIVING FROM A HOTSPOT If you have been in a declared hotspot in the past 14 days you may travel to Queensland provided you:</p> <ul style="list-style-type: none"> • are fully vaccinated • arrive by air only • have a negative COVID-19 test taken within the 72 hours prior to arrival into Queensland • undertake 14 days home quarantine subject to conditions set by Queensland Health. <p>Otherwise, you will need to meet the relevant requirements for entry and will be required to undertake 14 days quarantine in a government-nominated facility.</p> <p>ARRIVING FROM ALL OTHER AREAS OF AUSTRALIA Provided you have not been in a hotspot in the last 14 days:</p> <ul style="list-style-type: none"> • No restrictions on entry to Queensland. • No quarantine required. 	<p>ARRIVING FROM A HOTSPOT If you have been in a declared hotspot in the past 14 days you may travel to Queensland provided you:</p> <ul style="list-style-type: none"> • are fully vaccinated • have a negative COVID-19 test (either a Rapid Antigen Test or a PCR test) taken within 72 hours prior to arrival into Queensland. <p>You may arrive by air or road. There is no quarantine required if you meet these criteria. If you do not meet these criteria, you will need to meet the relevant requirements for entry (e.g. Queensland resident or new Queensland resident, essential health care) and will be required to undertake 14 days in a government-nominated facility at your own expense.</p> <p>ARRIVING FROM ALL OTHER AREAS OF AUSTRALIA Provided you have not been in a hotspot in the last 14 days:</p> <ul style="list-style-type: none"> • No restrictions on entry to Queensland. • No quarantine required. • No COVID-19 test required. 	<p>ARRIVING FROM ANYWHERE IN AUSTRALIA No restrictions on entry to Queensland and no quarantine required. If you are not fully vaccinated: You will be subject to restrictions on entry into venues and entertainment activities.</p>

<p>CONDITIONS</p>			
<p>ALL ARRIVALS – Get tested if you have any symptoms and isolate until you receive your results.</p>	<p>BUSINESS SUPPORT – From 80% businesses need to be aware that the Commonwealth Government has indicated that financial support will not be available in the event of restrictions or lockdowns.</p>	<p>EXCLUSION ZONES – Should the Chief Health Officer determine the risk posed by arrivals from an area overseas or interstate is extreme and cannot be managed within this Border Plan, additional entry and quarantine requirements may be imposed for that specific area.</p>	<p>RESTRICTIONS – From 17 December 2021, additional public health restrictions apply to unvaccinated people. These measures are outlined in the Public Health and Social Measures.</p>
<p>ELIGIBLE QUEENSLAND POPULATION – For the purposes of vaccination coverage, the eligible Queensland population is people aged 16 and older in accordance with the Commonwealth Government's definition.</p>	<p>FULLY VACCINATED – One week since your second dose of an approved COVID-19 vaccine. People who cannot be vaccinated—for example those who are not eligible due to age or have an exemption from a qualified medical practitioner—will be treated as vaccinated for the purposes of quarantine requirements.</p>	<p>LOCKDOWNS – In line with the National Plan to transition Australia's National COVID-19 Response, any lockdowns will be highly targeted. Areas with lower vaccination rates will be more likely to require public health restrictions and lockdowns.</p>	

THE 'NEW NORMAL'

-  Maintain physical distancing (1.5m)
-  Wear a mask when you're required to
-  Maintain good hand hygiene
-  Stay at home when sick
-  Check In Qld app for effective contact tracing
-  Get vaccinated

A Plan For Queensland's Borders – INTERNATIONAL TRAVEL

<p>70% of the eligible Queensland population is fully vaccinated 15 Nov 2021</p>	<p>80% of the eligible Queensland population is fully vaccinated 1:00am 13 December 2021</p>	<p>90% of the eligible Qld population is fully vaccinated Not yet commenced</p>
<p>ARRIVING DIRECT FROM OVERSEAS If you are arriving on a direct international flight into Queensland you will be required to undertake 14 days quarantine in a government-nominated facility. These arrivals will be subject to Queensland's international air arrivals cap.</p> <p>ARRIVING FROM OVERSEAS VIA ANOTHER STATE OR TERRITORY If you have been overseas in the past 14 days, you will need to meet the relevant requirements for entry to Queensland and will be required to quarantine in a government-nominated facility until 14 days has passed since your arrival into Australia and since you have been in a domestic hotspot.</p> <p>SAFE TRAVEL ZONE Arrangements will continue to be quarantine-free.</p>	<p>ARRIVING DIRECT FROM OVERSEAS If you are arriving on a direct international flight you may travel to Queensland provided you:</p> <ul style="list-style-type: none"> • are an Australian citizen or permanent resident, or an immediate family member travelling with them • are fully vaccinated • have a negative COVID-19 PCR test taken within 72 hours prior to departure • undertake 14 days home quarantine subject to conditions set by Queensland Health • undertake a COVID-19 PCR test on arrival. <p>These arrivals will be uncapped.</p> <p>If you do not meet these criteria, you will need to enter within Queensland's international air arrivals cap and undertake 14 days quarantine in a government-nominated facility.</p> <p>SAFE TRAVEL ZONE Arrangements will continue to be quarantine-free.</p>	<p>ARRIVING FROM OVERSEAS VIA ANOTHER STATE OR TERRITORY If you have been overseas in the past 14 days, you may enter Queensland provided you:</p> <ul style="list-style-type: none"> • are fully vaccinated • have undertaken 14 days quarantine under the direction of another state or territory at home or in a government-nominated facility. <p>If you do not meet these criteria, you will need to meet the relevant requirements for entry to Queensland and will be required to undertake 14 days quarantine in a government-nominated facility.</p>
<p>If you are fully vaccinated No restrictions on entry to Queensland and no quarantine required.</p> <p>If you are not fully vaccinated You will need to meet the relevant requirements for entry and will be required to undertake a period of quarantine.</p>		

CONDITIONS			
<p>ALL ARRIVALS – Regardless of where you come from, must complete the relevant entry declaration and abide by the public health directions in place at the time. Get tested if you have any symptoms and isolate until you receive your results.</p>	<p>BUSINESS SUPPORT – From 80% businesses need to be aware that the Commonwealth Government has indicated that financial support will not be available in the event of restrictions or lockdowns.</p>	<p>EXCLUSION ZONES – Should the Chief Health Officer determine the risk posed by arrivals from an area overseas or interstate is extreme and cannot be managed within this Border Plan, additional entry and quarantine requirements may be imposed for that specific area.</p>	<p>HOME QUARANTINE – If you cannot meet the Queensland Health home quarantine criteria, you will be required to undertake an equivalent period of quarantine in a government-nominated facility. Home quarantine undertaken in another state or territory must have been undertaken in accordance with an order issued by that state or territory. Self-imposed home quarantine will not meet the requirements for home quarantine under this plan.</p>
<p>NEGATIVE COVID-19 TEST – The accepted method of testing will depend on your circumstances. TGA-approved PCR tests are required for international arrivals. Please ensure you visit the Queensland Health website for more information.</p>	<p>FULLY VACCINATED – One week since your second dose of an approved COVID-19 vaccine. People who cannot be vaccinated—for example those who are not eligible due to age or have an exemption from a qualified medical practitioner—will be treated as vaccinated for the purposes of entry and quarantine requirements.</p>	<p>LOCKDOWNS – In line with the National Plan to transition Australia's National COVID-19 Response, any lockdowns will be highly targeted.
